PRESIDENT'S LETTER

Happy September Everyone!!!

Hope you all had a great summer! We had lots of great events over the past couple of months and the fall is shaping up to be even bigger be sure to check your Sign Post and our website: srpwesterlyhoa.org for all the details.

From Berkeley Township:

Everyone should have received your new Robocans. After September 15, 2025, the township will be accepting orders for the purchase of second cans if needed. The cost for an extra can is \$65. There is a maximum of two (2) trash cans and two (2) recycling cans per household.

Please begin utilizing the new trash (BURGUNDY) can and recycling (BLUE) can only after your old cans have been emptied. To discard your old cans, please leave them at the curb once you receive your new cans. They will be collected separately within a few days.

TRASH should be securely bagged and placed in the BURGUNDY can. RECYCLING items must

be placed loose (NO PLASTIC BAGS) in the BLUE can; cardboard must be flattened and placed in the recycling can.

Residents with disabilities: Please provide a doctor's note stating you are disabled to be added to our list for special assistance. A staff member will retrieve your can from the top of your driveway and return it after being emptied. For more information about this program, please contact Public Works at: 732-349-4616.

BULK TRASH: Residents will continue receiving unlimited bulk trash collections throughout the year but must first call 732-349-4616 to schedule the pickup.

If you have any additional questions or concerns please direct them to the Department of Public Works 732-349-4616

As always, I encourage all of you to attend our HOA meetings (starting up again this month) and the many events happening in our clubhouse.

I look forward to seeing you there!

*Regards,
Bobbi Duckers*

What a Night!

Good morning Westerly,

What a fun night! Thank you to everyone who came out last night to celebrate the christening of the USS Westerly Shuffleboard!

To hear the laughter and everyone just having a good time! That is what the Clubhouse is all about. Please stay tuned for more information, I know a lot of you were asking about when does the league start? We will be getting that all together, just have to iron out all the fun stuff to get teams up and running.

However, in the meantime, the weights are in the gutter of the table. Grab some friends - practice, play and

enjoy! I just ask that any cover on the table that you take off, please remember to cover her back up (she's modest).

Stay tuned for any impromptu pop up gatherings. Also, the board decided to keep the ping-pong table out (will be put away for any large activities or events) the paddles & balls are in a black bag, I believe to the left when you walk into the game room.

Remember - the Clubhouse is everyone's Clubhouse - ENJOY! A la familia!

Enjoy your weekend.

Karen O.

Dear supporters and friends,

Attached is a nice thank you letter from our troops at the USO, at the Drawsko Pomorskie Training Area, Poland. The letter was sent to long time troop supporters, at "Conquest Comics", in Bayville, NJ. Over the years they have generously donated well over 1,000 comic books, to be mailed to our military men and women deployed around the world. These types of donations are very well received, along with the many other items we send. Special thanks to "Conquest Comics", and all of you that help to make these mailing a success.

Lloyd

Thank you!
We greatly appreciate your donations of comic books! Service members were excited to see this special surprise and sort through and find comics that they loved! Here are pictures of service members your kind gesture benefitted!
Thank you,

Medicare – Changing Plans

Hello Community! A lot of older adults have begun to realize the effects of inflation, some more than others. What can you do to get more money each month, reduce costs and save on expenses?

If you have a Medicare Supplement Plan – it's time for a benefit check up! What a Broker can do for you is look at your current plan and show you what your price should be at your age. **JUST CHANGING THE CARRIER WILL SAVE YOU MONEY!** Per page 75 of the Medicare & You 2025 Handbook: "All plans with the same letter (F, G, N) offer the same basic benefits, no matter where you live or which insurance company you buy the policy from." Remember, Medicare is a Federally based program – it must be offered to each American Senior in the same manor, regardless of the state they live in or the carrier they purchase it from.

Example, if you buy a Plan G from Carrier XYZ, it may be costing you \$250.00/month – however, just changing to ABC Carrier, and staying with the exact same plan/benefit, could bring your cost down to \$150.00/Month. Remember, your primary coverage is provided by the Federal Government – the carrier is only there to pick up the cost not covered by the Federal Government.

You will need to answer some medical questions to make a switch, but a good Broker will review them with you.

If you have an Advantage plan, you will normally need to wait until the Annual Enrollment Period (AEP)

October 15 – December 7, unless you have a special circumstance like joining state drug assistance, or you joined a plan that is not offering what you understood about the coverage and you want to change. Once again, having a good Broker that **LISTENS TO YOUR NEEDS AND DOES WHAT IS RIGHT FOR YOU IS IMPORTANT!!**

However, you must call for an appointment now! Brokers will need time to review your doctors and medications against what is available to you from other Advantage Plans. Not all Advantage Plans are the same. Some may offer additional givebacks for doing your normal preventative care.

If you have Medicare and qualify for Medicaid, you can enter a D-SNP (Dual Eligible [for both Medicare and Medicaid] – Special Needs Person) Program. You do not need to wait for Annual Enrollment. This is an Advantage Plan that works with Medicaid which covers almost everything (including dental), and in most cases will assign you a case manager to assist you with your medical needs. There are many additional benefits with these programs such as a monthly or quarterly stipend for groceries. If you have one now, it may be time to do a benefit check-up and make sure it is serving you the way you need. To verify if you are eligible for Medicaid, please call 1-800-701-0710 or visit www.njfamilycare.org to verify if you are eligible.

Well another summer in the books. It sure was crazy, weather wise. It is with a heavy heart we say good bye to our friend and club member Kim Nocera. She was such a lovely person with a big heart taken too soon. Deepest sympathy to her family and fiance Dave Hirsh, another club member.

The pop-up "Dirty Dog Day" was enjoyed with all residents at the pool on August 17th. Big thanks to Karen Heck and Sheila Kipper.

Labor Day at the pool was another fun summer event. Thank you Joe L for providing great music. The "wy Dog" races were a great addition to the day. Lots of lucky winners out there! Progressive raffle tickets were picked at 6:00. Three lucky people received 25% for first, 15% for second and 10% for third place cash based on sales.

Socktober starts on October 1st. Socks can be placed in the box in the lobby of the clubhouse. Thanks to Joyce for collecting and delivering the socks.

Trivia will be on October 18, 2025 at 6:30. Get your team together for another night of brain twisters and fun. Ticket sales are Thursday October 2nd from 10-1130 am, Thursday October 9th from 6:00 to 7:00 and Saturday October 11th from 10-11:00, or see any Guys & Dolls member.

Sunshine

With summer coming, we can tend to be preoccupied with our family activities, graduations, picnics, days at the beach, and vacations, that sometimes forget about our friends and neighbors. If you know of a neighbor who is celebrating a special birthday, anniversary, or any other milestone please let us know and we will send a congratulatory wish. As always, we will continue extending our condolences to the families of our homeowners who have passed.

It is nearly impossible for us to know every homeowner that resides within our community, with that said, we depend on you to help your Sunshine Gal stay informed. Please send me a text, email, or call if you would like us to send a card to anyone, one of our homeowners.

The Entertainment Team Report

Hope your Summer has been fun so far! The Family Day at the pool was a great time for all, and the weather cooperated! So sorry about the confusion about the ad in the Sign Post. For an ACCURATE calendar of events for the Team, always check the Entertainment bulletin board in the lobby of the clubhouse. Our Ice Cream Social was a great success, for all of our Westerly neighbors to get together and enjoy ice cream sundaes.

We are looking forward to our Autumn Harvest Dance, September 19th, tickets are on sale now, every Monday, Wednesday & Friday in the clubhouse lobby from 10 am till noon for all events.

On Saturday October 4th we will hold our Vendor/Craft Fair, admission is free and there will be some great items to check out along with a snack bar.

The Halloween Gala will take place on Halloween this year, October 31st. It will be another great time, with prizes for costumes. Costumes are optional, but oh so much fun. It was a sold-out event last time so get your tickets early!

Remember this date: November 16th, it is our major fund-raising event of the year: The 3'B's... Bagels, Baskets & Bingo. This is the one event that supports us financially all year. If you have something NEW, or UNUSED to donate please call 201-394-3583 for a pick up. Get your tickets early, as this event always sells out, tickets will be on sale starting September 15th.

Because our community event calendar for November was too full, we are unable to have our Veteran's Dance to support the Troops, so we will be making a monetary donation to support the troops.

We are now in the process of firming up our plans for our Fabulous New Year's Eve Gala. We will have our ticket raffle again this year, a raffle ticket for \$10 to win 2 tickets for the event. The raffle will start in October. Gala Tickets will be available to Westerly Residents ONLY for the month of November, then, in December it will open to all. If you purchase tickets and win the raffle, your tickets will be refunded.

As you can see the TEAM is very busy planning events for the Communities enjoyment. We are a very small group, why not come join us, our next meeting is September 8th at 10 am in the clubhouse, all are welcome.

Women's Club

Looks like Fall is almost here already which means the start of a new year for the Women's Club.

Our warm and friendly group of ladies meet on the 3rd Wednesday every month at 12:30pm. We are looking forward to seeing our current members, as well as new members, on September 17th.

We are having a "pot luck" for our first meeting in which all members are asked to bring a dish and the board will be supplying the dessert.

Membership is \$10.00 for the year and we ask for a donation to our red cup for the Battered Women's and Children's Shelter.

Our team has been working on multiple plans and new activities for our upcoming year which should be exciting. Please come join us to socialize and make come new friends.

KO's KORNER *a place to talk schtick!*

Hello Westerly.....I'm back!!!!!!

I hope everyone had a wonderful summer and enjoyed the Labor Day party. Congratulations to the Summer-Long Progressive Raffle winner(s). I wonder if I will be one of them, cause momma needs a new pair of shoes! LOL

Now of course you have plenty of time to rest so you can have fun at the 1st Annual End of Summer Pool Party on the 6th! Music by DJ "Joe-L", karaoke and swimming till 10pm!

Just a piece of September history - The Anglo-Saxons, early medieval societies in England, referred to

September as Gerst Monath, which translates to barley month. This title signifies the integral role of agriculture in their lives, particularly barley harvesting. During this time, barley was ripe and ready to be harvested and processed into various goods, including bread and beer, essential staples in the Anglo-Saxon diet as well as mine! In a pinch, barley can be put into a sock (tie the open end) and heat in the microwave for about 1-2 minutes and use as a heating pad.

So, what do you say Westerly! Let's make it a September to remember!

Yours truly, **KO**

Jokes of the Month: August

HYPNOTIST AT THE SENIOR HOME

It was entertainment night at the Senior Center. After the sing along led by Alice at the piano. It was time for the star of the show. Claude the Hypnotist.

Claude explained that he was going to put the whole audience into a trance. "Yes, each and everyone of you and all at the same time" said Claude.

The excited chatter dropped to silence as Claude carefully withdrew from his waistcoat pocket, a beautiful antique gold pocket watch and chain.

"I want you to keep your eyes on the watch" said Claude, holding the watch high for all to see.

"It was a very special and valuable watch that has been in my family for generations" said Claude

He began to swing the watch gently back and forth while quietly chanting:

WATCH THE WATCH.....WATCH THE WATCH.....WATCH THE WATCH."

The audience became mesmerized as the watch swayed back and forth

The lights were twinkling as they reflected from its gleaming surface.

A hundred and fifty paired eyes followed the movements of the gently swaying watch.

They were hypnotized, And then, suddenly, the chain broke!!!

The beautiful watch fell to the stage floor and burst apart on impact.

S.....said Claude.

It took them three days to clean the Senior Center and Claude was never invited there again.

HUSBAND DOWN

A husband and wife are shopping at their local supermarket. The husband picks up a case of Budweiser and puts it in the cart.

"What do you think you are doing?" Asked the wife.

"They're on sale, only \$10.00 for 24 cans." He replied

"Put them back, we can't afford them demands the wife," they carry on shopping.

A few aisles further on, the woman picks up a \$20 jar of face cream and puts it in the cart.

"What do you think you're doing?" asked the husband.

"It's my face cream. It makes me look beautiful," replies the wife.

Her husband retorts; "So does 24 cans of Budweiser and it's half the price."

SILVER RIDGE PARK WESTERLY ARCHITECTURAL FORM

In keeping with Berkeley Township shed ordinance, homeowners are permitted, effective immediately, to install one (1) shed on their property, up to and including 64 square feet.
(8' x 8' x 8')

Modification of existing shed policy 11th in the architectural Rules and Regulations was voted for, approved and has changed to:

1. Sheds may not be placed anywhere other than the rear of the home.
2. All sheds must remain within the sidelines of the home.
3. Sheds may NOT be installed on common ground property.
4. Said shed shall be of any structure material the homeowner desires.
5. Sheds that are required to be fastened must be on a firm ground structure. DO NOT place any shed on a cement slab. Cement slabs add square feet to your taxable living space and will be taxed by Berkeley Township.
6. In accordance with Berkeley Township ordinance, sheds must be placed at least three feet from the back of the property line.
7. Although Berkeley Township requires only a 3 foot side setback, SRP Westerly requires all shed placement to remain within the sidelines of the home.
8. In accordance with Berkeley Township ordinance, electrical wiring of sheds is not permitted.
9. If a homeowner chooses to install a shed against their home, it may not block any windows or doors.
10. Homeowners MUST submit an architectural approval request form along with a drawing showing the location of the proposed shed to the SR Westerly Architectural Committee. *(Architectural forms are available in your monthly copy of the Sign Post).*
11. The homeowner must submit a zoning permit application, required fees and forms to the Berkeley Township Town Hall /Zoning Office. *(Zoning Permit Application forms can be obtained from the Berkeley Township website or the Zoning Office.)*

September 2025 'DIRT'

from Silver Ridge Park - Westerly 'Garden Committee'

Close your eyes and picture the first flowers of Spring that quickly melt away the cold of Winter. If you want to enjoy that wonderful feeling in your yard next March, you have to get organized right now in September. **Purchase your Spring bulbs now** so you can get the best choice of varieties. Ordering from the internet will offer you the most diversity of bulbs; but our local 'big box' stores will have a decent selection if you shop this month. Do not wait until October!

Bulbs that flower in the Spring need the Winter season as 'chill time' to grow roots and energize themselves. Spring flowering bulbs are almost foolproof and return year-after-year. When you get your bulbs, you can plant them immediately or store them in a paper bag in your refrigerator where the 40-degree temperature and darkness will mimic underground Winter conditions. Schedule to plant your bulbs no later than Thanksgiving.

Living here in Silver Ridge Park- Westerly we are fortunate that planting bulbs is easy because our houses were built on an ancient ocean floor of sand.

Three species of Spring bulbs for your yard that are deer resistant are: (1) **Daffodils** (*Narcissus species*) -one of the best known 'Spring flowers' with hundreds of varieties to choose from in shades of yellow, white, pink & orange. (2) **Ornamental Onions** (*Allium species*) -attractive flowering plants that have a trademark ball-shaped flower cluster that blooms on stalks growing from 1' to 5' tall. (3) **Snowdrops** (*Galanthus nivalis*) -one of the very first flowers to emerge and sometimes will even poke through a light coating of snow.

If you prefer Tulips, Crocus or Hyacinths they need to be 'fenced in' as they are quickly eaten by deer. Plant all your Spring-blooming bulbs nearby any entrance to your house where you can cheer on their daily progress next March thru May!

'DIRT' we have scheduled:

Wednesday SEP 24th starting at 7pm. Join us for a '**Cooking with Herbs**' demonstration. Do you see culinary herbs at the store and want to know more about the wonderful health benefits they provide? At our meeting learn how to make a tasty meal with Rosemary, an easy-to-grow herbaceous plant. Herbs have been adding flavor to meals for thousand of years. 'Tasty samples' will be available for attendees!

If you have a gardening question, call Sandy (973) 476-7825 or David (908) 415-3321
